In re Application of
Malcolm Whitman et al
Application No. 10/044,442
Filed: January 11, 2002
Attorney Docket No. WHIT-06919

:
:DECISION ON PETITIONS
:UNDER 37 CFR 1.78(a)(3)
:AND 37 CFR 1.78(a)(6)
:

This is a decision on the petition under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6), filed March 31, 2005, to accept an unintentionally delayed claim under 35 U.S.C. §§ 120 and 119(e) for the benefit of the prior-filed nonprovisional and provisional applications set forth in the concurrently filed amendment.

The petition is **DISMISSED AS MOOT**.

A petition under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6) is only applicable to those applications filed on or after November 29, 2000.

Along with the instant petition under 37 CFR §§ 1.78(a)(3) and 1.76(a)(6), petitioner has submitted an amendment to the first sentence of the specification following the title to include a reference to the prior-filed applications.

The instant pending nonprovisional application was filed on January 11, 2002, and was pending at the time of filing of the instant petition. While a reference to the prior-filed applications was not included in an ADS or in the first sentence of the specification following the title, reference nevertheless was made in the transmittal letter filed with the above-identified application.

The current procedure where a claim for priority under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6) is not included in the first sentence of the specification or in an ADS but does appear either in the oath or declaration or a transmittal letter filed with the application and the Office notes the claim for priority, no petition will be required to accept a late claim for priority. This is because the application would have been scheduled for publication on the basis of the information concerning the claim submitted elsewhere in the application within the time period set forth in 37 CFR §§ 1.78(a)(2)(ii) and 1.78(a)(5)(ii). However, on the other hand, if the USPTO does not note the claim for priority to the prior-filed application(s) set forth in the oath or declaration or

transmittal letter submitted with the application, a petition will be required to accept a late claim for priority under 37 CFR §§ 1.78(a)(3) and 1.78(a)(6).¹ In the instant case, the Office noted the claim for priority of the prior-filed applications in the transmittal letter filed with the application, as shown by their inclusion on the filing receipt.

In view of the above, the \$1,370 petition fee submitted is unnecessary. Petitioner may request a refund of this fee by writing to the Office of Finance, Refund Section. A copy of this decision should accompany petitioner's request.

Any questions concerning this decision on petition may be directed to the undersigned at (571) 272-3208. All other inquiries concerning either the examination procedures or status of the application should be directed to the Technology Center.

This matter is being referred to the Examiner of Technology Center AU 1647 for appropriate action on the amendment filed March 31, 2005, including consideration of the claim under 35 U.S.C. § 120 and 37 CFR 1.78(a)(2) and the claim under 35 U.S.C. § 119(e) and 37 CFR 1.78(a)(5) for benefit of the prior-filed applications.
